MS Patent Application
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

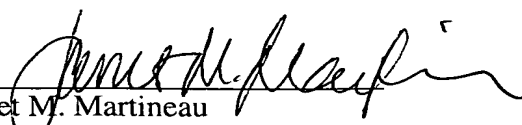

Sir:

The above-identified patent application is a continuation of Application No. 10/050,704, filed January 18, 2002, which is a continuation of Application No. 09/684,524 filed on October 10, 2000. The sequence listing of the instant application is identical to the sequence content of the computer readable form of the sequence listing previously filed in connection with Application No. 09/684,524.

In accordance with 37 C.F.R. § 1.821(e), please use the computer readable form previously filed in connection with Application No. 09/684,524 as the computer readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the computer readable form that will be used for the instant application. A paper copy of the Sequence Listing is submitted herewith. Applicants hereby certify that the paper copy of the Sequence Listing filed herewith and the computer readable form filed in connection with Application No. 09/684,524 on October 10, 2000 are the same and do not include new matter.

Dated: March 12, 2004

Respectfully submitted,
